

UESI SURVEYING COMPETITION

1. OVERVIEW

The educational and professional goals of this competition include a recognition of the importance of basic surveying principles to all civil engineering projects. Students will demonstrate standard field equipment and procedures for the chance to compete at the 2020 UESI National Surveying Championship.

2. ELIGIBILITY

Per national guidelines, each team may consist of up to six (6) total students. Each surveying team shall be comprised of 50% males and 50% females.

4. PROCEDURE

Please review the [national rules](#) for UESI Surveying specifications and requirements. Teams are required to bring ALL safety equipment listed and should bring necessary surveying equipment to the event.

5. JUDGING

The competition will be conducted and scored according to the [national rules](#).

6. QUESTIONS

Requests for Information (RFI) regarding the 2020 Surveying Competitions are to be directed via email to oemora@cpp.edu. Official responses will be posted to the [Collaborate site](#) for this competition.
